

Dear Neighbours and Residents

April Update: Working through Level 3 – Covid-19

Firstly, we hope you have all managed to stay safe during the Level 4 Lockdown period, it has been a stressful time for many people for many different reasons, but we can see flickers of some normality on the horizon now.

There is no doubt that Level 3 will also be a challenging and uncertain time, but we have followed the guidelines set out by the Government to ensure that any person that enters our Construction Site will be as safe as possible.

Starting from Tuesday 28th April, the Bupa Crofton Downs Site will open, however it will not be business as usual. We have implemented strict protocols, to name a few;

- designated working zones,
- staggered breaks,
- physical distancing,
- detailed sign in sheets comprising of how employees got to work that day,
- multiple hand washing and sanitising facilities, and
- staff continuing to work from home if they are able to.

We understand that it is a privilege to be able to return to work, albeit under severe protocols. We will continue to work hard to maintain the highest level of safety during this period.

We will send out a further update in due course, as always if you have any questions, you're welcome to e-mail us on: katie.burley@naylorlove.co.nz

Kind regards,

The Naylor Love Team
