

10th September 2020

Dear Resident,

Tower Crane Removal

One of our Tower Cranes will be dismantled on Saturday 12th and Sunday 13th September. Wellington City Council has been made aware of the removal and they have accepted that the circumstances warrant the works on Sunday.

This was originally scheduled for removal on Monday 14th and Tuesday 15th September, however due to high winds forecasted for the start of next week this can no longer go ahead. The only other available booking is the weekend prior to these dates, as advised above.

We are planning to start decommissioning on Friday afternoon and we will dismantle as much as possible Saturday. The remainder of the removal will have to be completed on Sunday before the wind picks up again on Monday. The works on Sunday will only commence after 8am and will cease before 5pm.

We are currently in the process of removing our Site Offices, giving us the best possible chance of completing the removal within the planned timeframe.

We will endeavour to keep disruptions to a minimum and thank you for your understanding.
